

# Maintenance Staff Required for Shutdowns in Abu Dhabi - UAE

Descon Engineering is seeking technical & experienced maintenance Shutdown staff for Oil & Gas, Petrochemical plant turnarounds:

- 1. Shutdown Maintenance Manager**  
B.E. Mechanical Engineering, minimum 15 to 20 years experience in a similar role and should be able to manage a workforce of 2,500 on offshore gas plants. The successful candidates must have a proven track record in Turnaround or Shutdown projects. Must have understanding & practical experience of gas plant / oil refinery equipment maintenance & Turnaround planning. Should have good exposure of budgeting and resource management, excellent communication and strong leadership skills to lead a large team of different nationalities.
- 2. Area Maintenance Engineers (Piping, Heat Exchangers, Columns, Vessels, Heaters, Reactors, Valves, etc.)**  
B.E. / B.Tech Mechanical, minimum 10 to 12 years experience in maintenance of static equipment in Oil & Gas and Petrochemical plants.
- 3. Shutdown Planning Engineers**  
B.E. / B.Sc Mechanical / Electrical with minimum 5 to 8 years experience in planning & scheduling in large Oil & Gas plant Shutdowns. Must be proficient on Primavera 3 / Primavera 6.
- 4. Cost Control Engineer**  
Graduate with engineering background, 6 to 10 years experience in cost estimation, control and application of cost management processes in maintenance / Shutdown contracts related to Oil & Gas industry.
- 5. Contractors Execution Coordinator**  
Graduate with engineering background, 8 to 12 years experience in plant maintenance, responsible for the daily coordination and control of sub-contractors, Interface with client, contractors and sub-contractors to ensure smooth execution and a successful Turnaround.
- 6. QA/QC Engineers/Inspector/Supervisor**  
B.E. / B.Tech Mechanical / Metallurgy, having 7 to 10 years relevant field experience in QA / QC in Oil & Gas plant maintenance. Should be able to implement IMS/QMS and should have sound knowledge of ASME codes and visual inspection of piping, static & rotary equipment.
- 7. HSE Engineer / Officer**  
B.E. / B.Tech Mechanical / Chemical, minimum 8 years experience in HSE / Safety field in large plant shutdown activities of any Oil & Gas plant. Should be able to develop TRA & JRA and hazards identification during Turnarounds.
- 8. Mechanical Supervisors (Piping, Heat Exchangers, Columns, Vessels, Heaters, Reactors, Valves, etc.)**  
B.Tech / DAE / DME Mechanical having 7 to 10 years experience in maintenance of Static equipments during Shutdowns / Turnarounds work in Oil & Gas plants.
- 9. Rigging Supervisors / Foreman**  
DAE / DME Mechanical having 7 to 10 years relevant experience in rigging and heavy lifting during Turnarounds / Shutdowns of plants. Having good exposure of cranes and safety measures of rigging. Should have valid rigging certificate by BVQI / LLOYDS / TUV or any other agencies.
- 10. Material Coordinator**  
DAE / DME Mechanical / Electrical with 5 years experience. Knowledge on Tool, Plant, Consumables. Piping, E&I Material identification and handling. Capable to coordinate the issuance & handling of materials.
- 11. Electrical Engineers / Supervisor**  
BE / DAE / DME Electrical with minimum 8 years of maintenance experience. Should be capable to supervise independently in electrical works during Oil & Gas plant Shutdowns / Turnarounds.
- 12. Instrumentation Supervisors / Instrument QC Supervisor**  
B.Tech / DAE / DME Instrumentation with minimum 8 years of maintenance experience on instrumentations equipments during Oil & Gas plant Shutdown / Turnarounds.
- 13. Workshop Coordinator**  
B.Tech / DAE / DME Mechanical, with 7 to 10 years workshop experience in equipment & valves handling and maintenance during Oil refinery / Gas plant Shutdown.
- 14. Welding Supervisor / Foreman**  
DAE / DME Mechanical, with 7 to 10 years experience, well versed with welding of pipes, columns, vessels and strong in ASME/WELDING Standards and also able to perform welding as per WPS, PQR and guide the welders.
- 15. Transport Coordinator**  
DAE / DME Auto mobile, having 10 years experience of handling heavy machinery and transport.

Please send CVs to [shutdownjobs@descon.com](mailto:shutdownjobs@descon.com) latest by 28th August, 2011.

Kindly clearly state the position in the subject of the email.

Only shortlisted candidates will be contacted for interviews.
